St. Louis CRUSH is a 501(c)3 coalition that relies on grants and donations for our monthly and annual events. YANA Fest is the time we give back to the community in a BIG way and it's a whole lot of FUN! Over the past three years we have served more than 1000 people – Sharing resources, education, and treatment assistance, as well as a community meal and some groceries, new shoes, and clothing. We want everyone that enters YANA 2025 to have access to any resource they need to live a self-defined successful life.
